

# Eastern News

Friday 4th October

Thank you to everyone who read our newsletter last week and has acted upon our advice about Facebook. Speaking to us face-to-face sorts out problems quickly, and so thank you to those parents that have come in to air their worries! A big leap forward in our school community.

The big important news this week, is the *school photographer* will be in school **Thursday October 10th**. Families photographs will start early at 8:50 and forms will be sent out soon. Keep an eye out for them!

Another busy week in classrooms! There has been some wonderful creative work on emotions and Wales throughout the school! Remember to keep a look out on the school Twitter account for updates. (especially for those parents of Y6 children who are going to Llangrannog next week!) @schooleastern

**Morning Drop Off and Zig-Zags**  
We are pleading with everyone who drives their children to and from school not to park on the zig-zag lines.

This is to make sure that all of your children are safe. As the weather gets worse it is easy to forget to park up and walk the short distance to school, but... let's face it, we would all rather our children be a little bit damp than seriously injured or even killed on the road outside our school.

## Nursery handover procedures...

It has been an absolutely fantastic start to the school year for our Nursery pupils. Mrs Thomas has been ever so proud of every one of you! Parents will soon have a copy of our 'handover procedures' for the start of the day at Nursery, this is to ensure your child is absolutely safe and secure at the beginning of the school day.
