Friday 25th October

Well... we have got to the end of a very busy half term! The classes have settled fabulously and everyone is doing marvellously well with the few changes which have cropped up!

This is yet another plea to everyone in our school community... if you feel that something is wrong, isn't working or going right, then please let us know directly. Taking to Facebook, What's app groups or any other social media platforms doesn't help matters! We will always try to rectify any problems and work with you all on solving any difficulties. If we all work together, our school becomes stronger and better for you!

What is happening in our diary?

Pumpkin Competition

Some absolutely amazing (and terrifying) entries this year. We are all overwhelmed with the creativity and imagination! Well done to all who entered!

They're BACK...!

An important message about headlice! Headlice love children's hair, and can cause a great deal of upset at home (I'm speaking from experience here!) Please tie long hair up to give us a fighting chance at not spreading headlice...

Conkers! A great old-school game to play! Lots of children have loved playing this game on the playground, please find out more by asking them all about it!
