Eastfest**

## **EASTFEST 22 - PTA meeting**

Thank you for responding to the form which asked if you will be attending the planning meeting. There was a very good response and it is good to hold the first meeting in the school building again. Both meetings will go ahead so that we can accommodate all those who have responded with a yes. As a reminder, the meetings are Thursday May 12th, 1.30pm and 4.30pm.

In order to keep children and adults healthy and well, we are keeping the good hygiene practice in place, to reduce risks of spreading any bugs and germs, not just covid! We will ensure seating arrangements are well spaced, the hall will be ventilated and we would appreciate if parents could sanitize on entry. Please do not attend the meeting if you are feeling unwell.

Some teaching staff will attend as well as some of the older children to ensure we have a range of ideas, suggestions, questions, aims, offers of help etc. For those who are unable to attend, we will keep everyone informed, so we will also be looking for those who can help with publicity and communication methods.

## **Attendance**

Thank you for letting us know reasons why your child is absent from school. Our registers are checked every two weeks by the local authority, who are now keen to focus on better attendance of all pupils in the authority.

## **Punctuality**

We have very few late comers now that our doors open at 8.40am for teaching to start at 8.50am. Children are settled in class and ready for learning at 8.50am and it makes such a difference to the start of their day. As school is now getting back to normal procedures, parents will be asked to sign children in at the main entrance if they are late coming into school. If children are collected early parents will also need to sign their children out.

## **Welsh Blood Service**

The blood service has asked us to reach out for donors. If you can, please donate. Click here for more details

### **TATA visits classes**

It was good to see representatives from TATA at the school last week talking to children about the future of steel making and the history of industry within our local area.

Very interesting and the children thoroughly enjoyed! Just look at these photographs!

TATA have also offered to support us with EASTFEST 22! Watch this space! Very exciting!

Please note - the sports day date has changed. New date is here in the diary.
