

Eastern News

Friday 27th September

An important message from your school...

Help us to help you...

All school staff work diligently to ensure the safety of your children.

For the vast majority of you in our school community, Facebook is used sensibly to meet up with old friends, keep in touch and share pictures.

Sadly, it has become a huge problem when misused; what is written on Facebook is often not as private as we might like to think and messages can often cause unnecessary hurt or upset.

Going directly to Facebook about incidents between children in school can cause more harm than good and has a negative impact upon them. It is vitally important that you contact school first and raise your concerns. In this way we can investigate and solve problems before they get bigger.

Making sure all of your children have a positive and fun school experience is what we are here for. When things go wrong, please let us know so we can put it right.

Eastern Primary has a comprehensive complaints procedure which can be found on the school website, here... <http://easternprimary.co.uk/documentlink/27/?open=true> which outlines school procedures and what to do when things go wrong.

Finally, it is of paramount importance that you do not approach other's children - this could be seen as threatening. In this instance we would advise that the police are called using 101.

The better we work together, the better the outcome is for your child, and the more they are able to learn and enjoy their school.

(A thank you to the gentleman who suggested coming into school to speak to me to help sort the issue!)

Now the nice bits... Ask your child about what has been happening!

Mrs Fry's class have had a wonderful lesson with Mr Fry, who is a professional nutritionist, all about health eating and sorting foods into groups. Very interesting (ask your children about it, can they remember doing this?)

Mrs Thomas's class have just had two new guinea pigs which the children have loved playing with! Lots of pupils from all over the school have loved going to see our new school pets!

There are some exciting trips coming up for our R/Y1 and Y2/3 classes where they will be finding out about dinosaurs and the evolution of our planet! Ask your children what they have learned!

Lots of exciting things! You should have received your class newsletter, if you have not, please let us know.

What's happening soon?

Mon 07/10/2019 to Wed 09/10/2019	Year 6 pupils residential visit to Llangranog
Mon 28/10/2019 to Sun 03/11/2019	HALF TERM

This is our school vision - something we have all had a part in writing, something we all believe in .

Eastern Primary

is a caring, safe, happy and inclusive school where children learn through inspiring and meaningful experiences. A school which opens its doors to a community, in partnership that support children in becoming independent, responsible, respectful citizens of the future.
