Friday 8th November

We all hope that everyone in our school community had a restful half-term... all the children are back in school safe and sound! Next week is anti-bullying and safeguarding week. This means that each class will be looking at ways in which we can help each other; being friends; showing good manners and understanding each other. **We are asking if you can help at home by completing a sheet of homework. This is all about what makes a good day and a bad day.** Please help your child draw and write on the sheet so that they can explain to their class teacher about how they feel.
