Spring Term 7/2/20

## **School dinners**

Reminder - the school dinners are not organised by the school. There was confusion over what was being served. The school tried to help but the incorrect menu was sent, however, this was corrected immediately. Apologies that this happened but please try and recognise that the school was only trying to help. Parents will now need to access the menu from the NPT website. If you want a paper copy they may be able to provide you one at the civic centre and they may be able to help.

If your child does not like the food on the menu it will be up to parents to provide food for their child. If your child refuses to eat anything on offer then parents are contacted. It is parents responsibility to ensure food is provided for your child. Parents can either bring a packed lunch or they can take their children out of school from 12 til 1pm.

Mrs John will be sending out letters this week for parents to set up payment methods for school lunch. Reminder - if there is no money in your account you will be contacted and asked to bring food to the school for your child to eat.

## **Celebrating Wales**

Check the diary for our Welsh week. The children can wear Welsh costumes during this week. If they wear Welsh sports tops and T-shirt's we would like them to wear their school trousers please with black shoes. Welsh costumes are preferred but we understand parents difficult with this. Children can also wear school uniform. On the Friday of this week we will be holding our own school eisteddford.

Please encourage your children to enter the competitions. It was a successful day last year and we are looking forward to your second one now!

### **Mobile phones**

It has been reassuring to hear that more parents are now taking notice of what their children are doing on mobile phones. It is important that they are able to communicate with their friends but please

continue to check on messages also. I am sure you'd be concerned if your child is facing or sending threatening / hurtful comments. If you have any problems it is advisable to block numbers to avoid any further upset. Look after your child's emotional wellbeing.

**Watch out, watch out, nits are about!  
Check your child's hair and check family members too.  
They don't mind whose head they get on to!!**

### **Parents Have Your Say**

You will notice this in the diary for after half term. This is an opportunity for you to have your say in any aspects of school life. We held them some ago and we found them useful to ensure parents are happy with what is going on at their child's school. We talk through ideas, suggestions, worries that may affect many families. Looking forward to seeing you there.
