

EASTERN PRIMARY SCHOOL

Friends Together, Learn Forever

Headteacher: Louise Jefford

Deputy Headteacher: Steve Manley

23.6.20

Dear parent / carer,

Well, what a day! Our *revised* plan is now set and organised.

This information is only for parents and carers of children attending school when we reopen.

We have a small number of pupils attending school and so we have been able to bring more groups into school on the same day. A member of staff will contact you with arrangements for your drop off and pick up times.

We have also contacted the Local Education Authority regarding the decision that home devices were not allowed to be brought to school. It has been agreed that we can now allow pupils to bring their home devices such as a tablet or laptop they are familiar with, into school. This will give teachers an opportunity to help solve any problems with online learning, (also your child will have a chance to play some of the *suitable* games that they have enjoyed at home!)

Of course, school cannot take responsibility for any damage to devices, as pupils will use them at their own workstation only. Please bring your tech device to school in a *plastic bag*, we cannot allow cloth or fabric rucksacks into school.

The revised plan can be found by clicking [here](#).
