## End of Summer Term 2020

### **And what a term that was!!**

Child care provision, food deliveries, telephone consultations, online learning, health care advice, wellbeing workers, video teaching, meetings on screen ..... bizarre! It has been a crazy term.

However, we got there. The children have been happy to be back. All staff are safe and well, and we managed to adapt and achieve everything, just in a different way. There is no holding Eastern back!

### **Year 6 super stars**

Have a great holiday before you step into Cwm Brombil. We are very proud of you all and show them all why Eastern is awesome! Stand tall, be confident and keep smiling. We will see at some point in September! Have fun you super bunch!

### **September dates**

See school website for all the details of our return to school.

# THANK YOU!

### **Thank you parents, carers and families**

You had to become teachers without any training! Thank you so much for being patient and helping us to get everything out to you throughout the four months. You must be fed up of having so many texts and messages from us. We promise we will leave you alone for the summer holidays now! Thank you so much for all your support. You have been amazing.

### **Staff and governors**

Firstly, a thank you to governors for allowing us to 'think outside the box' and trusting us with our plans. Everything went well and the children are all happy.

A massive thank you to the staff. They have worked tirelessly over the last four months. They have given up days and days of their own time and their commitment to the school is overwhelming. Staff, now

is the time for you to rest and recharge your energies. You deserve a good break with no emails, no texts, no calls, no meetings, no journeys, no lessons, no reports and a head free from worrying. A BIG THANK YOU to every single one of you!
