Dear parents/carers

This is a courtesy letter to inform you that, over the weekend, I have been informed that a pupil within the year 3/4 bubble has tested positive for covid.

If your child is unwell, please book a test, and keep them home from school until you receive a negative test and they feel well again.

I will contact parents with further information as soon as possible. Many thanks for your support in this matter.

Yours sincerely,
Louise Jefford
