Summer Term - May 18th, 2018

Class photos

Your child will have come home with the proof of the class photo. If you want to see the full size version this is on display at the main entrance, just inside the door. Please do not feel obliged to purchase the photo. We provide the opportunity for parents as a keep sake and item of memorabilia. As a school, we keep the photographs as a memory and we will be able to look back on how much they grow in primary school!

Year 6 - the photographer took individual photos of the year 6 pupils. Although this was not requested by the school there are some lovely portraits of the children. We did not send these home but if you would like to see your child's photo for ordering then please come into the main office.

Parent have your say

Just one parent came to school for the meeting yesterday. However, this may reflect that most parents are happy with the school progress. To ensure we have collected views this term we are sending out a questionnaire. Please could you return the questionnaire by May 25th. Many thanks.

School Fete

This takes place on July 19th at the school field. It is being organised by the PTA and there are some exciting activities taking place. Lots of fun for the children and families. Children can be rescued from school for £1 by families so that they can attend the fete at the field. This will allow them entry to the fete. Those who arrive at the gate will be charged a £1 entry fee. Adults can attend for free!

Dinner money debt

IMPORTANT

Unfortunately not all dinner money has been sent into school. The outstanding amount is £900!!!! We now have to write to parents with an outstanding debt. The school is not in a position to provide free meals to your child. It is parents responsibility to provide food for their children.

You will need to provide sandwiches for your child until your debt is cleared.

No school meal will be provided without payment. We are not in a position where we can provide credit I'm afraid. The cost of a dinner is £2.30.

Hit the Surf

The year 5 and 6 children thoroughly enjoyed their day at the beach. The weather was perfect for them and we were all very jealous knowing that they were in the sea and enjoying the outdoors. Outdoor activities are always good for the children. Lots of experiences for the children to remember in years to come. We are lucky to live close to a beautiful beach. The sea and beach are good for your well being. Make the most of what's on our doorstep.

Mrs Adams

Mrs Adams is still unable to come into work (even though she is desperate to return!). We all wish her a speedy recovery and she is missed lots! Please continue to send in dinner money in envelopes and please try and let us know the reason for your child's absences. We have a lot of unauthorised absences at the moment and we wouldn't want you receiving a call from the welfare officer!

We have noticed that many children are unable to use a knife to cut their food at lunch times. We are showing them how to do this in school. Please can you also demonstrate at home also.

It is so good to see the sun! However, make sure your child has sun cream on, a hat and plenty of water wherever they are. Let's hope this weather continues and it's not an early summer!

Diary Dates

May 28th	Half term - one week
June 4th	Back to school
June 11th	Father's Day gifts on sale in school £2
June 17th	Father's Day
June 26th	All full time pupils - visit to Grand Theatre Basil & the Ice Witch
